

Forest Products for Advanced Materials

Resins, adhesives, insulation,
roofing, and beyond

Scaling Up™ 2023

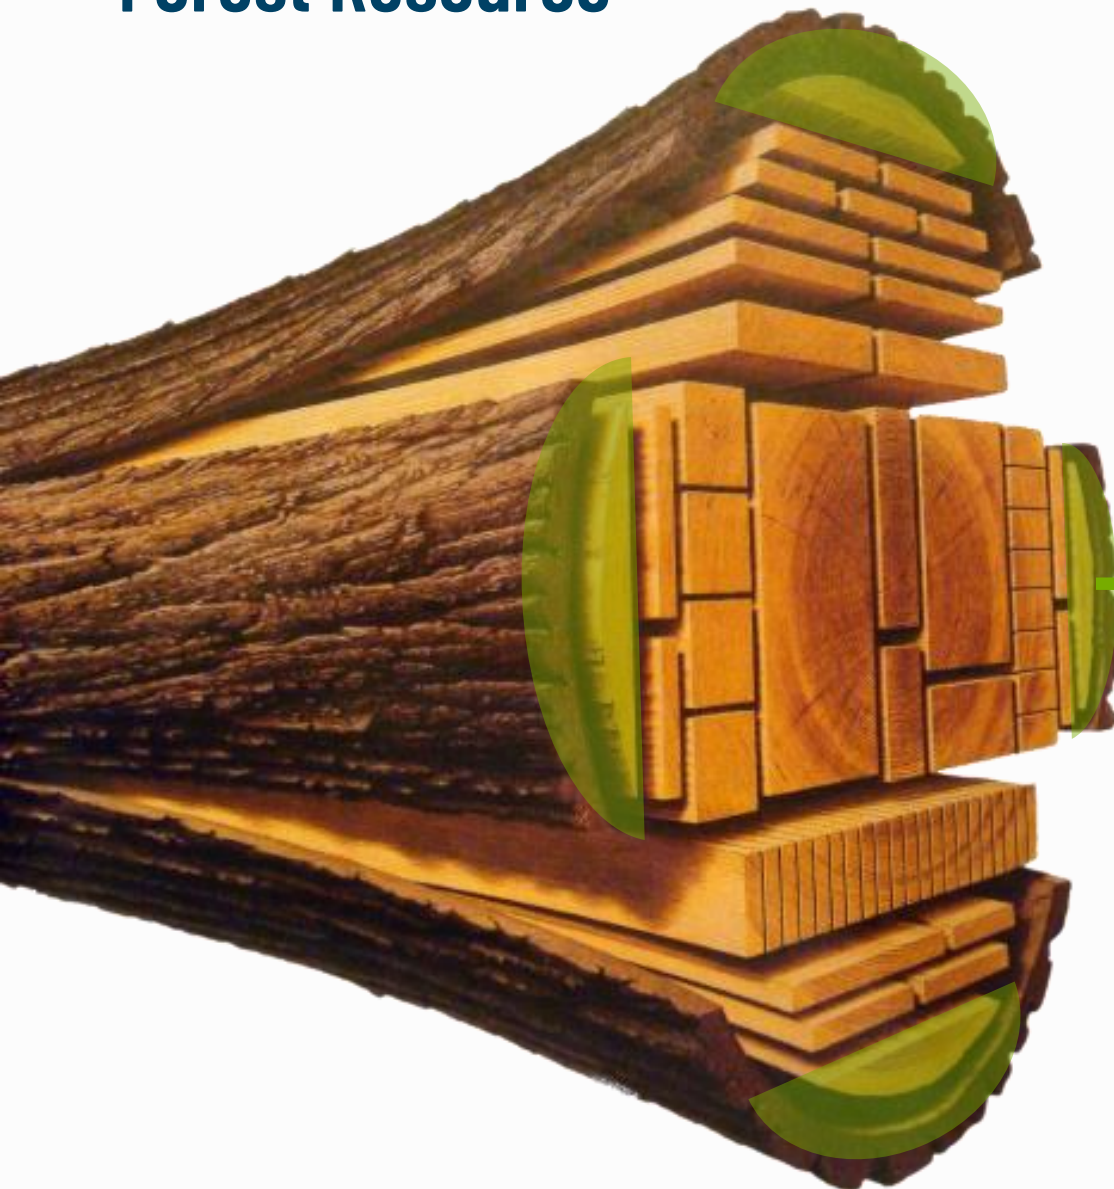

The Future is Now

Canada's 8th annual industrial bioeconomy business conference

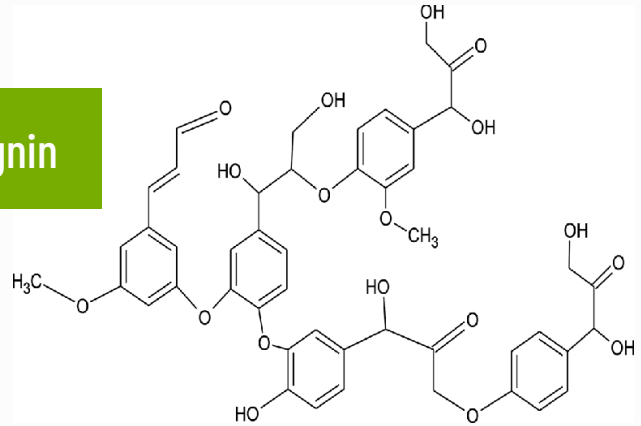

November 6 - 8, 2023

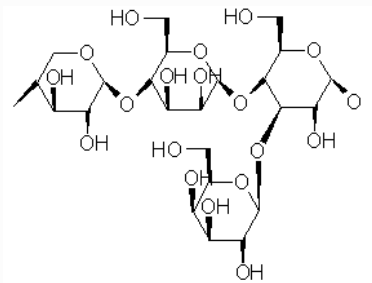

Extracting Whole-Tree Value from Ontario's Forest Resource

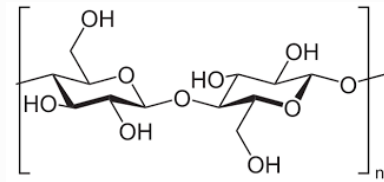

15-25% Lignin

23-32% Hemicellulose

38-50% Cellulose

Investments in Low-Carbon, Forest-Based Building Solutions

Ontario's Opportunity
